Welcome to the Finance, Consulting and Management Fair

We would like to extend a very warm welcome to everyone attending the 2017 Finance, Consulting and Management Fair at the University of Nottingham. We are particularly excited to be hosting this event at the Jubilee Conference Centre for the first time as this new venue shares the campus with the Nottingham University Business School and is the perfect environment for this fair.

The Finance, Consulting and Management Fair provides a great opportunity to meet leading employers and find out what they are looking for in applicants. The companies are here because they want to talk to you and ultimately, recruit you.

This year we have 60 companies attending with 12 employers that are new to campus. They span a wide range of sectors and are keen to recruit the brightest talent to their organisations. Many of the employers visiting us today have graduate jobs and internship opportunities in a number of business areas. You may be surprised by the range on offer.

Our team are here to help you understand and make the most of the graduate jobs market – not just today – but during your time at university and once you graduate. Make sure you leave with a copy of our events guide so that you can see what's happening this term.

And finally, keep in touch. You can book an appointment to see us at nottingham.ac.uk/careers/appointments or ask our experts a question on Facebook or Twitter. If you have a burning question it's a great way to get a quick answer.
