# Certification of Translation

This is to certify that CETRA Language Solutions conducted the translation of the POEM file into Turkish for use in Turkey.

CETRA's ISO 9001 certified translation process has been followed in the below listed steps as per the provided "Guidelines of translation of poem" file.

1. Translation and editing of the source English text via 2 native speaking linguists specialized in clinical studies.

2. Back translation of the aforementioned translated file into English by an independent translator.

3. Reconciliation of the translation and back translation to confirm accuracy of the translation.
