Introduction

You are now part of a **mixed community of people** which brings about certain roles and responsibilities that are very different to living in halls of residence.

We've put together this guide to **help support you** during your time living in the community with lots of advice on how to be a **good neighbour, get involved and make a positive impact** on your local area.

Kegworth is a brilliant place to live, work and study and we want you to **make the most of your time** whilst you're in this great city.

Welcome from your Community Officer

Hiya! I'm Muhammad Ali, and I'm your Community Officer for the next academic year 2021-22!

My job involves working with the University, City Council, Police and the SU to make sure you have the best year possible while living out in Nottingham! I'll be your voice on issues such as safety, transport, housing and much more! In particular, I'll be cracking down on substandard landlords and lettings agencies, so please check out your rights as a renter – and get in touch with me, or the SU advice team, if these are ever not being met!

Living out in the community can be a fantastic experience but does come with a bit of added responsibility to those around you! So please be the kind of person you'd want to live next door to, respect public spaces and remember – we're all part of this wonderful community, and you really do get out what you put in! I hope you have an AMAZING year!

Hello! We are your Students' Union

We're an independent, student-led organisation that represents your needs, protects your rights and makes sure your voice is heard. Led by a team of elected SU Officers, we're a vibrant community 34,000 strong, made up of undergraduate and postgraduate students, SU staff and volunteers. And you're automatically a member when you join the University of Nottingham.

One Kegworth

One Kegworth is a group of like-minded people who want to bring Kegworth together as one. The committee is made up of village residents, business owners, professionals and University students who all love where they live.

We aim to organise a variety of events throughout the year including Christmas in the Market Place, Easter Charter Market, Pop up coffee and homemade cakes; Halloween and Christmas walk round village trails; litter picks and events for children such as wild flower planting, Easter egg hunts and pumpkins fest.

By working with each other, we can bring the community together to have fun and try new things. One of our main aims is to support local businesses, clubs and societies to showcase the wide range of activities we have available in Kegworth. Our events are accessible and fun for everyone and are not to be missed!

Visit onekegworth.wordpress.com to find out more, email hello@onekegworth.co.uk or check out our facebook page [@onekegworth](#)

Sport in Kegworth

Feeling sporty? It's a short trip to the Sutton Bonington Sports Centre and there are plenty of sports clubs and societies to get involved with on campus.

Fancy trying a new sport or picking up something from home? Visit nottingham.ac.uk/sport/facilities/suttonbonington

And that's not all! Kegworth has a number of local clubs you can get involved in too, including tennis club, karate, taekwondo, tai chi, equestrian, football, cricket, and clay pigeon shooting.

There's also King George V Playing Field and grounds available to the cricket, football and tennis clubs, as well as a green bowls club. So there's loads to keep you active!

Your role as a housemate

Sharing a house with your friends is something you'll always remember from your time at University – and as a housemate, you'll play a role in making sure shared living is a fantastic experience.

Here are some day-to-day practicalities to help you have the best time:

As soon as everyone has moved in, **create a rota** of all the chores and tasks the whole household will have responsibility for. Whether that's washing up, cleaning the bathroom or putting the bins and recycling out, decide as a group who does what and when.

And when something isn't quite right, avoid passive aggressive notes and revenge tactics; **it's super important to talk to each other!**

Spend time together. Organise something social that involves everyone in the house – maybe a movie night or making homemade pizzas together.

SU Advice says: Have a chat with your housemates about visitors and acceptable noise levels. It's good to talk this through early on to make sure you all agree on house rules.

Your role as a neighbour

Kegworth has a population of around 3,700 residents, and about 640 of these are students. So you'll be part of an established and diverse village community, which might include living next to a young family or older people. Your role as a neighbour is really important as you can look out for each other, get to know new people and feel more at home where you live.

Things you could do:

Say hello! Even if you live in an area that's home to lots of other students you are still part of a mixed community with many long-term residents

Ordering a taxi? Remember to ask the driver not to sound their horn when they arrive as it can disturb your neighbours. And wait inside for the taxi to arrive to avoid noisy gatherings on your doorstep.

Heading out for the night? Be considerate of sleeping residents and keep the noise down as you walk into town and head home at the end of the night.

Binformation and recycling

- Keep on top of your waste and use the correct container – remember to keep glass in a separate red box to plastic, cans and tins!
- Download your bin calendar so you don't miss a collection day
- Take your bins off the street as soon as they've been emptied
- Rinse your red box recycling and fasten the lid
- Squeeze and squash plastic, cans and tins to fit more in the red box
- Support the environment by recycling as much as possible.

Recycle empty deodorant and air freshener canisters in your red box...

SU Advice: top tips

Follow SU Advice's top tips to keep your home clean, tidy and comfortable.

- 1 Try to keep the house clean. Think about drawing up a cleaning rota - it's a good way to prevent squabbles with your housemates!

- 2 Make sure you heat and air the house properly.

- 3 Check smoke alarm batteries every week and change lightbulbs when you need to.

- 4 Be careful what you put down your sink and toilet!

- 5 Check if you have responsibility for maintaining the garden, as some contracts specify that you do.

Make a change. Make a difference

The University is taking a stand against climate change and setting ambitious carbon reduction targets. We want to slash our carbon emissions by more than half by 2030, and every one of us has a part to play.

Wherever you're living, you can make a difference. Even the smallest actions add up to big impact. Every sustainable change we make takes us closer to our goal.

So let's get going!

Green Rewards

We're making it easy (and rewarding!) for students to take positive environmental actions.

Green Rewards is an online platform and mobile app where you can record your sustainable activities. In return you'll earn Green Points and the chance to win vouchers for yourself and charity donations for your team. Plus, many of the actions are not only good for the planet but good for your pocket too!
