

# Winter Graduation 2021

Congratulations, you did it!

You are very special as you belong to our second ever group of BA Education graduates and you will no doubt go on to be positive role-models and agents of change in the world.

In spite of all the challenges of the last eighteen months and more, you have managed to successfully complete your degrees – a reflection of your tenacity and strength and something that you can be hugely proud of.

All the best and keep in touch!

Jenny Elliott  
(BA Education – Course Lead)
