

# Nottingham International Trade Summer School

30<sup>th</sup> June 2025 – 5<sup>th</sup> July 2025

**School of Economics**  
**University of Nottingham**

The [Nottingham Centre for Research on Globalisation and Economic Policy \(GEP\)](#), together with the [Centre for Inclusive Trade Policy \(CITP\) and CEPR](#), invites Postgraduate Research Students (PhDs), Postdoctoral Researchers and professional economists to participate in its upcoming **International Trade Summer School**. The programme offers a unique opportunity to deepen your understanding of International Trade through lectures delivered by world-renowned experts, take part in networking activities and present your research.

The Summer School comprises three days of lectures, followed by a full day devoted to research presentations and networking activities. Participants in the Summer School will also be invited to attend the [GEP/CEPR Summer International Trade Workshop](#) where leading researchers will present cutting-edge work.

## Lectures by Distinguished Scholars

- [Arnaud Costinot](#) (MIT)
- [Andrés Rodríguez-Clare](#) (Berkeley, Nottingham)

## Course Overview

### Day 1 (course work)

(Morning) Introduction to the neoclassical model and the gains from trade  
(Afternoon) Ricardian comparative advantage and the Eaton-Kortum model

### Day 2 (course work)

Optimal policy in an open economy, focusing on how trade policy can address distortions and distributive goals

### Day 3 (course work)

New trade models (Krugman and Melitz) and their implications on the conclusions of traditional trade theory

### Day 4 (networking day)

Research presentations by interested Summer School participants  
Social activity with lecturers and organisers + Summer School Dinner

### Days 5 and 6

Participants are invited to attend the [GEP/CEPR Summer International Trade Workshop](#)
