

**Fire Procedure for the Health sciences building – University Park**

**Fire Alarm**

**Is a continuous siren**

Is tested on **Friday** mornings

**Raising the Alarm**

If you locate a fire or smell smoke you must raise the alarm by breaking the glass of the nearest fire alarm call point.

**Break Glass**

**Passing on Information**

Exact details of the fire **MUST** be reported to University security, giving details of the location and nature of the fire.

This is very important if a false alarm has been triggered

**Dial 8888**  
**Mobile 01159518888**

<p><b>Hearing the Alarm</b></p>	<p>Evacuate the building by the nearest exit, closing all doors behind you.</p> <p>Do NOT use the lifts or stop to collect personal belongings.</p>	
<p><b>Evacuation Procedure</b></p>	<p>Proceed to the assembly point located on the grass at the rear of the Psychology building</p> <p>The designated Fire warden or Emergency Coordinator will instruct you when it is safe to re-enter the building.</p>	
<p><b>Fire Fighting</b></p>	<p>Only tackle the fire if it is safe to do so, and you have been trained</p>
