

Organised by the Graduate School and Institute for Science and Society

8.30am	Registration and refreshments (CDT briefing delegates only)		Atrium
8.45am-9.15am	CDT Breakfast Briefing		Conference Theatre
9am	Registration and refreshments (all delegates)		Atrium
9.30am	Introduction Parmjit Dhugga, Head of Researcher Development, Graduate School		Conference Theatre
9.35am	Opening Address and Welcome Dr Steven Hill, Director of Research, Research England		Conference Theatre
9.45am-10.15am	Responsible Research and Innovation at the University of Nottingham Chair: Parmjit Dhugga, Head of Researcher Development, Graduate School <ul style="list-style-type: none">• Prof Dimitris Papadopoulos (Director of Institute for Science and Society, University of Nottingham)• Prof Sarah Sharples (Pro-Vice-Chancellor for Equality, Diversity and Inclusion, University of Nottingham)• Prof Pete Licence (Director of GSC Carbon Neutral Lab for Sustainable Chemistry and Chair of the Environment and Sustainability Committee, University of Nottingham)		Conference Theatre
10.15-10.45am	Refreshments and break		Atrium
10.45am-12pm	Parallel panel sessions		
Conference Suite 1		Conference Suite 2	Conference Suite 3
Society and Responsibility		Responsibility in Research and Policy	Innovation and Sustainability
Chair: Dr Richard Helliwell (Institute for Science and Society, University of Nottingham)		Chair: Chris Sims (Institute for Policy and Engagement, University of Nottingham)	Chair: David Falzani (Polaris)
<ul style="list-style-type: none"> • Prof Brigitte Nerlich (Institute for Science and Society, University of Nottingham) • Dr Sara Goodacre (Life Sciences, University of Nottingham) • Dr Pru-Hobson-West (Institute for Science and Society, University of Nottingham) • Dr Kate Millar (Centre for Applied Bioethics, University of Nottingham) 		<ul style="list-style-type: none"> • Dr Steven Hill (Director of Research, Research England) • Dr Karen Salt (School of Cultures, Languages and Area Studies, University of Nottingham) • Prof Philip Moriarty (Physics & Astronomy, University of Nottingham) 	<ul style="list-style-type: none"> • Prof Simon Mosey (Business, University of Nottingham) • Dr Anne Touboulic (Management, University of Nottingham) • Dr Chris Ives (Geography, University of Nottingham)

12-1pm	Buffet lunch and networking	Atrium
1-2.25pm	Keynote Talks Chair: Prof Dimitris Papadopoulos (Institute for Science and Society) <ul style="list-style-type: none"> • Prof Jane Calvert (University of Edinburgh) Responsible Innovation and Experimental Collaboration • Prof Phil Macnaghten (Wageningen University & Research) Embedding RRI in Policy and Practice: Reflections on Local, National and International Experience 	Conference Theatre
2.30-3.45pm	Parallel panel sessions	
	Conference Suite 1 Molecules & Microbes Chair: Prof Pete Licence (Chemistry, University of Nottingham) <ul style="list-style-type: none"> • Prof Steven Howdle (Chemistry, University of Nottingham) • Prof Liz Sockett & Dr Jess Tyson (Life Sciences, University of Nottingham) • Prof Panos Soultanas (Chemistry, University of Nottingham) • Prof Serafim Bakalis (Engineering, University of Nottingham) 	Conference Suite 2 Food Chair: Dr Kate Millar (Centre for Applied Bioethics, University of Nottingham) <ul style="list-style-type: none"> • Prof David Salt (Future Food Beacon, University of Nottingham) • Dr Zinnia Gonzalez-Carranza (Biosciences, University of Nottingham) • Krystyna Swiderska (International Institute for Environment and Development) • Professor Ian Noble (Senior R&D, Mondelez)
		Conference Suite 3 Energy Chair: Parmjit Dhugga , Head of Researcher Development, Graduate School <ul style="list-style-type: none"> • Prof Benjamin Sovacool (Science Policy, University of Sussex) • Dr Alison Mohr (Institute for Science and Society, University of Nottingham) • Prof Robin Irons (Engineering, University of Nottingham) • Prof Gavin Walker (Engineering, University of Nottingham)
3.45-4.15pm	Refreshments and break	Atrium
4.15-5.20pm	Closing Plenary: Doing RRI Chair: Dr Alison Mohr (Institute for Science and Society, University of Nottingham) <ul style="list-style-type: none"> • Dr Eleanor Hadley Kershaw (Synthetic Biology Research Centre, University of Nottingham) • Prof Richard Jones (Physics, University of Sheffield) • Prof Sir Martyn Poliakoff (Chemistry, University of Nottingham) 	Conference Theatre
