

Subject information stands

For Business School and Computer science, please see Jubilee Campus map.

Subjects are listed in alphabetical order. Brackets denote building number on the map. This is not a definitive list of subject activity, please refer to the full Open Day Guide.

What3words

Locations of subject information stands and entrances to buildings are provided using what3words (w3w)

Download the w3w app or use the w3w website

How to use w3w

- Type in the w3w address in to the search bar on w3w app or on the website. Addresses are identified with ///
- Select the correct option from the list of destinations
- Tap the Navigate button
