

# Hello and **WELCOME** to Pharmsoc

First of all, **Congratulations** on your place here- **you earned it** and we wish you the best for the next four or five years at the University of Nottingham. The Pharmacy Society will make your time here even better, from frequent **socials** and events, to helping raise money for **charities**, for networking, talks that will inspire you and a hub of students that all share the **same passion** for science. We are so excited for the year to come and want you to **be involved as much as possible!** Love, the Pharmsoc Committee
