

**350**

participants randomised into the POP-I study

**2**

SIVs have been completed

**44**

participants randomised in November

### Eligibility Forms

Eligibility forms need to be completed before RANDOMISATION. In the SIV, we mistakenly stated that these forms need to be completed before CONSENT. Apologies for any inconvenience caused, Please contact us if you need more information.

### WELL DONE!

A huge well done to the Royal Berkshire for recruiting 10 participants last month!

**Royal Berkshire Hospital**

**= 10**

**Whipps Cross Hospital**

**= 5**

**Worthing Hospital**

**= 4**

**Milton Keynes = 4**

**Sunderland Hospital = 4**

### Follow-up

Please only use postal follow ups as a last resort for patients, we are having poor follow up rates for this method.

Please remember to add a phone number, even if the patient has hasn't chosen phone follow up. Sometimes we call participants if we are yet to receive their follow up.

### QR Code

If you have not yet used the POP-I animation video, we would encourage you to use it when consenting

### Internal Pilot

We have completed the internal pilot phase of the trial and are in the process of compiling the final report and reviewing all data gathered for our funder. A huge thank you to everyone at site for your hard work in screening and recruiting participants. Thanks especially for your recent efforts in getting all crucial data up to date. Your commitment has been invaluable, and we truly appreciate all your efforts.
