Future Food Beacon Newsletter

September 2019

Welcome to the September issue of the Future Food newsletter. As we prepare to welcome students for a new academic year, we bring you news, events, calls for papers and more.

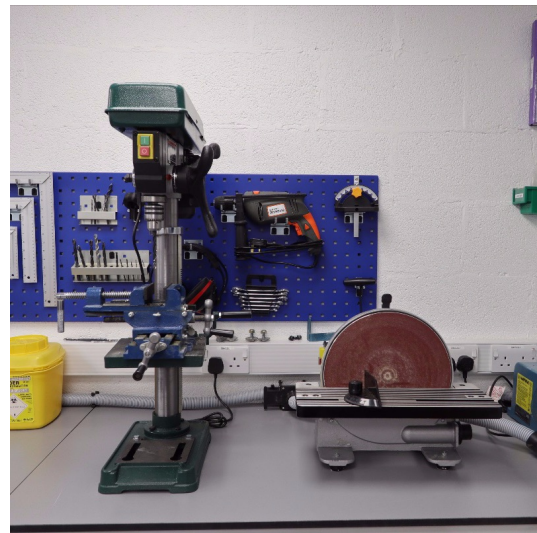

Food Tales: our new speaker series!

Our new speaker series is launching! Join us on October 15 for a lunchtime talk with **The Angry Chef. Register.**

Future Food Stories

Below are some snapshots of our stories this past month: a new project examining antibiotic use in poultry in China; our MakerSpace; duckweed projects; and students studying food safety in Brazil!

National Food Strategy: call for evidence

The English government is creating its first national food strategy in 75 years. Submit evidence to the committee by **October 25 2019**.

Upcoming talks and seminars

Applying a decolonial lens to research structures, norms and practices. September 18 2019, SOAS, London.

Internet of Food Things network plus conference September 17-19 2019, Lincoln.

Photonics4Food Symposium September 24 2019, Birmingham.

Future Foods: Farming to improve health November 25 & 26 2019, Warwick.

Oxford Farming Conference: Growing a healthy society January 7-9 2020, Oxford.

Calls for papers and abstracts

3rd Global Interdisciplinary Conference: Heritage, Terroir and Community. March 7-8 2020, Prague. Abstracts due October 4 2019.

Rhetoricians of Health and Medicine special issue: **Food as Medicine.** Abstracts due October 15 2019.

Child and Teen Consumption conference, June 2020, Rutgers USA. Call for abstracts open until November 25 2019.

Worldwide Waste: Journal of Interdisciplinary Studies call for papers on Unpacking food and drink'.

Emerge 2020: A festival of futures. Call for interactive artworks, exhibits, and performances. Submissions due October 21 2019.

Consuming literature

IPCC Special Report on Climate Change, Desertification, Land Degradation, Sustainable Land Management, Food Security, and Greenhouse gas fluxes in Terrestrial Ecosystems

Nottingham City Council want YOUR opinion on good living! Fill out their **Good Living Citizen survey.**

British Academy Writing Workshops

The **British Academy** invites proposals for writing workshops held in developing countries in order to cultivate professional networks, and help early career researchers develop skills and confidence to publish in international journals. **Deadline is Wednesday November 6 2019.** Workshops must take place before December 2020.

We have **funding schemes** available to support various projects across all disciplines. These are: doctoral/post-doctoral prize, Future Food Fellows, and a partnership fund. We particularly welcome applications from Social Science and Arts & Humanities colleagues.

To tell us your news, share conference registrations or abstract opportunities, as well as any food-related reading please email:
