

Sue Ryder Care Centre – Practitioner researcher network seminars

It is difficult to park on site. Visitor's car parks at the University campus opposite are a possibility but are a good 15 minutes walk away. Buses run direct from Nottingham town centre to Queens Medical Centre (see www.nctx.co.uk).

If taking the Tram, alight at QMC tram stop, which is at the south side of the site between South Block and the Nottingham NHS Treatment Centre (see below).
