

Your day at the School of Life Sciences, Biochemistry

Course codes: C700, C703, C741, C742, CC47, CC4R

Wednesday 22 February 2023

Your registration venue is Engineering and Science Learning Centre (ESLC), (building no.54, University Park Campus)

General activities

9am to 12 noon Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, tour catered and self-catered accommodation and visit our sports facilities.

You'll need tickets for some general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

1pm Lunch with the School of Life Sciences

Foyer, A Floor, Medical School (building no. 46, University Park Campus)

An opportunity to have lunch and meet academic staff and current students in the School of Life Sciences.

1.45pm Introduction to biochemistry

LT3, Medical School (building no. 46, University Park Campus)

Academic staff will outline the content of our courses, including modules, teaching methods and assessment. You will also hear from current students about what it's like to study at Nottingham, from the students' perspective.

There will also be an opportunity to ask the staff and students any questions you might have about the course, the University, or life as a student in Nottingham.

Please see next page for further subject-specific activity

Departmental activities

Following the introductory session, parents/guardians and offer-holders will take part in different sessions.

Offer-holders subject activity:

- 2.15pm Practical demonstrations and a tour of teaching facilities**
C1c, C1d and C2a, Medical School (building no. 46, University Park Campus)
Current students will guide you around the Medical School where you will be able to see examples of our teaching facilities and observe and take part in practical activities.
