Subject-specific activities

Your afternoon programme is structured so that you can attend talks on the subjects you have chosen to study. There will be a session where you can find out more about our undergraduate curriculum and hear from staff and students about what and how you would study on our history of art courses. You will have the chance to learn about opportunities to develop your art historical interests and gain professional experience alongside your degree. There will also be an optional opportunity to visit an exhibition at the Djanogly art gallery on campus. If you are attending for a joint honours course, you will also receive information about the English part of your degree.

We will have a refreshment break between sessions where you can grab a hot drink, chat informally to academic staff and current students, and ask any questions you may have.

Our subject ambassadors will escort you between venues. School activities will finish at 3.30pm.
